TWP. OFFICIALS ARE IN SESSION AT COURT HOUSE

Adams County's supervisors were told this morning they can "put more teeth" in their nuisance laws.

H. A. Thomson, secretary of the Pennsylvania Township Supervisors Association, told the 135 gathered at the court house for the 40th annual convention of the Township Supervisors, Auditors, Assessors and Tax Collectors Association of Adams County:

"You have always had the power to put into effect ordinances forbidding nuisances, and you have always had wide powers in this field, but you were limited before to a \$10 fine. This obviously was not enough of a fine to act as a deterrent. Now, as a result of the 1957 act of Legislature, you can impose penalties up to \$300 fine and 30 days in jail, which should be sufficient to prevent anyone from considering a nuisance ordinance a joke."

Discusses New Laws

Thomson outlined a number of changes in the township laws pertaining to supervisors, assessors, tax collectors, etc. He noted that the auditors again have been given the duty of setting the bond for the township treasurer and added "the way the law is drawn if you do not make the bond high enough and the township loses money, you auditors will be responsible financially for the loss."

Thomson continued his series of talks to the township officials this afternoon.

Glenn Jacobs, president of the township officials, presided at this morning's session at which the invocation was given by the Rev. William Fenstermaker, Judge W. C. Sheely gave the address of welcome and Lewis E. Bair the response. Rev. Mr. Fenstermaker, pastor of the local Methodist church, conducted the annual memorial service. Francis Worley, Adams County representative in the General Assembly, spoke on the work of the state Legislature.

Dine On Turkey

The annual session resumed at the court house this afternoon following a turkey dinner at the local Methodist church.

Committees appointed this morning included: Nominating, Cameron Garretson, Biglerville R. 1; Frank E. Miller, Gettysburg R. 3; and Harvey T. Walter, Gettysburg R. 2; resolutions, Lewis E. Bair, Littlestown R. 2; D. L. Hospelhorn, York Springs, and Clarence J. Waybright, Gettysburg.

BIGGEST CHECK FROM GAS TAX IS RECEIVED

The Adams County commissioners today received a check for \$46,677.88 representing the county's share of the liquid fuel tax for the six months ending December 1.

The amount was the largest single check ever received by the county from the state as its share of the gasoline tax paid by motorists in Adams County.

It brought to \$89,698.57 the amount received for 1957 from the Common-wealth for inclusion in the liquid fuels fund—which marks the largest year's total ever received—approximately \$5,000 higher than last year and approximately \$10,000 more than received in 1955.

How Fund Is Used

Part of the funds received annually from the liquid fuel tax goes to the townships and boroughs to help with their road and bridge maintenance and construction. Part is retained by the commissioners for use in bridge construction and maintenance, and for payment of damages in connection with road work by the state.

The checks this year—\$46,677.88 for the period ending December 1 and \$43,021.89 for the period ending June 1—compare to \$42,474.07 and \$36,951.49 in 1955; \$45,354.49 and \$39,835.19 in 1956.

Tremendous increase in automobile and truck traffic—the principal users of gasoline—in the period since World War II is shown by the checks received from the liquid fuel tax. In 1945 when traffic scarcities had cut auto traffic, the county received a total of \$34,411.71.

The commissioners this morning decided to attend the opening of the new York Springs bypass Thursday afternoon at 3:30 o'clock. The county provided \$5,000 from its liquid fuel fund toward the damages paid by the state in connection with its bypass construction.

President Is In Excellent Condition; Leaves On Friday To Attend NATO Conference

WASHINGTON (AP) — President Eisenhower, pronounced in excellent condition after a new medical examination, today rounded out plans to fly to Paris Friday in an effort to shore up the Western Alliance he helped forge.

The President still has a faint speech impairment and he still is not discharged from medical care stemming from the mild stroke he suffered 16 days ago.

This word came from the White House after three specialists in brain and nerve ailments examined him and consulted with three other doctors.

"Usual Alert Self"

The six physicians reported the President was "this usual alert self and discussed in detail and with enthusiasm the coming meeting of the North Atlantic Treaty Organization."

After their hourlong examination the doctors said Eisenhower's "general condition was excellent."

"REC" BOARD PANNING FOR ADULT CLASSES

General plans for the opening in the second week of January of adult education courses were completed Tuesday evening at the December meeting of the Gettysburg Recreation Association's board of directors at the engine house. Acting Recreation Director John Toggas reviewed for the board the present schedule of recreation activities.

The adult education courses for which applications soon will be made available will include typing, possibly courses in both beginning and advanced instruction; short-hand, sewing and tailoring; oil painting, woodwork, leatherwork and possibly dramatic arts.

Board members indicated the curriculum may be enlarged if there is a demand for additional subjects. The list already planned, with the exception of dramatic arts, is similar to that offered last year.

Vote \$2,000 Payment

The board decided that adults enrolling from outside the Gettysburg Joint School district will be charged \$6 each for a course and residents of the school district will be asked to make a \$3 deposit upon registration. That deposit will be returned at the completion of the course for pupils who are presented course for pupils who are present for at least 75 per cent of the classes.

The adult education courses were planned after local school districts voted to pay the share of the cost formerly covered by state funds. The school districts will share in the cost on the basis of the number of pupils enrolling from each district.

The board voted a \$2,000 payment to the Gettysburg borough school district, more than covering the school district's share of the cost of the summer recreation program here. It was the first payment to the school district the Recreation Association has made since July 9.

2-Year-Old Damage Suit Is Settled

The action in trespass started in August, 1955, by David L. Mordy, Chicago, and Albert V. Hutin against Richard R. Reichley, Sunbury; E. Mae Rhodes, Emmitsburg R. 2; and William Cook Hutchison Jr., Pampas, Texas, has been "discontinued, settled and forever ended, all costs being paid," according to a notice filed in the prothonotary's office by Atty. John A. MacPhail.

The suit was brought to recover damages resulting from an auto accident eight miles south of here on the Emmitsburg Rd. August 30, 1953 in which cars operated by Reichley and Hutchison collided. The case was scheduled for the last term of court and petition had been made at that time to have the jury look at the scene. When it came time for the trial, however, the case was withdrawn, and the papers filed today indicate the end of the long drawn-out legal battle. Terms of the settlement were not indicated.

TELLS STORY OF RISE AND FALL OF PITHOLE, PA.

The story of the rise and fall of Pithole, a "suburb" of Titusville at the time of the discovery of oil in the latter city, was outlined by William C. Darrah, associate professor of biology and general education at Gettysburg College, at the annual Ladies' Night dinner meeting of the Gettysburg and Adams County Torch Club. The dinner was served in Trinity United Church of Christ parish house; Tuesday evening. The subject of Prof. Darrah's talk was "Done In Oil — The Saga Of Pithole."

Seventy persons attended the dinner with Dr. Frank Hewetson presiding. Lady guests were presented with corsages. The tables were decorated with greens and candles by Mrs. H. C. Long and Mrs. M. S. Moorhead, Dr. Howard C. Long and Dr. M. S. Moorhead were in charge of the program.

The Lions Club of Gettysburg, comprising Paul Grove, Clarence Bartholomew, Robert Deardorff and David Blosser, furnished the music. Mrs. Bartholomew was the piano accompanist.

Town Fades Away

Prof. Darrah told of the discovery of oil at Titusville immediately after the Civil War and how Pithole, a few miles distance, mushroomed almost overnight. He told how the little town grew to a population of 16,000 in approximately a month, how hundreds of homes, scores of business places, hotels, mansions, and three railroads cropped up within weeks.

He said that oil was first taken out in barrels by mules and horses and later tank cars were built to carry away the precious fuel. He said that pipe lines followed almost immediately because of the heavy flow.

Then suddenly, he said, the wells gave out, fires broke out and the population melted away, abandoning homes and business until the town faded away.

WILL DECIDE TONIGHT ABOUT DANCE TEAMS

Adams County's Senior Extension Club will decide tonight whether it will have two or three teams in the square dance competition to be held at the 1958 Pennsylvania Farm Show at Harrisburg January 13 through 17.

A square dance competition and a folk dance exhibition this year will replace the rural talent festival that had for a number of years been a feature of the state fair show.

John B. McCool, Farm Show director, and C. P. Lang, assistant state 4-H Club leader at Pennsylvania State University, in charge of the square dancing contest, said 312 dancers in 39 teams, wearing special costumes, will compete.

Among Six Selected

Large Crowd Views Annual Biglerville Christmas Parade; Garden Club Places First

More than 4,000 persons lined the streets of Biglerville Tuesday night to watch the ninth annual Christmas parade held under sponsorship of the Biglerville Business Club.

Originally scheduled for last Saturday afternoon, the parade lost some entrants because of the postponement due to inclement weather, but the quality and quantity of what remained made the parade one of the best ever held in the upper county borough, judges said.

Approximately \$500 in prizes was awarded the participants. As in the past the floats division provided the most spectacular portion of the parade, and again, as in the past, nearly every business in the Biglerville area was represented with a non-competitive float to help swell the length of the procession.

Garden Club Is First

The \$50 first prize for floats was won by the Biglerville Garden Club, which showed choir boys before a cross and a life size crèche. It was one of many which showed the scene at Christ's birth.

Second prize \$35 was awarded to the Tenth grade of Biglerville High School, which depicted a Snow Queen scene.

The Three Wise Men before the manger won third prize of \$25 for the First Baptist Church of Gettysburg.

"Home Sweet Home," depicting an old fashioned home, with kerosene lamp and the family gathered around the table, and an old-fashioned decorated Christmas tree, entered by the Ladies Aid society of the Upper Meridian Church, won the fourth place award of \$25.

"Santa's Workshop" Fifth place, \$20 was won by the Biglerville Kitchenettes who were busily engaged, on their float, in preparing a turkey dinner, with smoke pouring out the chimney of a stove.

"Santa's Workshop," a building with numerous Boy Scouts making toys, entered by Boy Scout Troop 124 of Hunterstown, won sixth place, a \$20 award.

Seventh place, \$15, was won by Biglerville Girl Scout Troop 40 showing carol singers before a window.

Eighth prize, also \$15, went to the Biglerville Youth Fellowship. Ninth prize, \$10, to the Adams County Senior Extension Club, and (Continued on Page 2)

WILL INSTRUCT 36 ASSESSORS

Plans were announced today by the county commissioners for a special "assessors' meeting" to be held January 6 at 7:30 p.m. in the courthouse when the assessors will be sworn in.

An official of the state tax equalization board will be present to give the assessors information about their work. E. Donald Scott, president of the board of commissioners, said it was decided to hold such a session because 19 of the 36 assessors in the county will be beginning terms this year.

One of the "new" assessors will however be carrying on a family tradition. Cyril Weaver, elected in November as assessor of the Second Ward in McSherrystown, succeeds his late father, Seb H. Weaver, who died during the last year after serving as assessor for the ward from 1901 until his death.

The assessor who has the longest experience in the county at the present time is Maurice Wareheim, Park Ave., Littlestown, who has been assessor of the Second Ward in Littlestown since the ward was established in 1925.

INVITED TO LEAVE

George Blumish, Carmichaels, Pa., was found guilty before Justice of the Peace John H. Basenore today with being disorderly as charged by borough police. In default of fine and costs he was sentenced to one day in jail — which he had already served — and was invited to leave the community.

Times Reporter Finds Wide Variety Of Christmas Gift Items In Gettysburg Stores

Men's Christmas gifts are overflowing the stores this season. A Gettysburg Times reporter made the rounds of a number of stores and compiled the following list of suggestions.

Matching jewelry sets are becoming more plentiful and more useful every year. Cuff links, tie bar and cigarette lighter make up a matching set.

A wallet and matching key case is a clever combination. Matching cuff links, tie bar and belt set have been around the longest and still are a welcome gift. The sets are available in gold and silver.

Clothing sets are the same this year with the addition of new patterns and colors. Socks, a belt and tie sets are the ultimate in matching outfits. In other years it was difficult to find a set that was really liked due to color limitations, but this year, providing you shop early, you should find just the thing you have in mind.

Leather items will make a welcome surprise for someone. Luggage for men is now appearing in charcoal-grey and sky-blue as well as the conventional black, tan and dark brown. The shape has not changed and they remain roomy for easy placement of large items.

Wallets are plainer this year but are more versatile with their many secret pockets and can be converted into separate card and bill carriers. The sets are available in gold and silver.

Leather traveling kits are needed items for the young man planning a military career.

A leather item for the car is a visor wallet which clamps on the car visor and is the standard visor length. There is a place for a paper pad and pencil, and a built-in glasses holder. It has a long zipper pocket which will (Continued on Page 3)

HAS 'EVIDENCE' IN '55 SLAYING

PANAMA (AP)—Fresh from jail, former President Jose Ramon Guizado said last night he will turn over to the government "important evidence" on the 1955 slaying of President Jose Antonio Remon.

Guizado spoke to newsmen at his home after being released from almost three years' imprisonment as an accessory in the Remon assassination. The Supreme Court rescinded his conviction by the National Assembly.

Remon was machine-gunned to death at a race track clubhouse Jan. 2, 1955. As vice president, Guizado succeeded but was removed and sentenced to six years and eight months in prison. His defense charged he was the victim of a political frameup.

Seven persons charged with the assassination were acquitted last Friday. The Supreme Court ruled that Guizado couldn't be an accessory if the chief defendants were innocent.

Guizado said his lawyer had evidence or documents which would be turned over to the attorney general's office for use in any further investigation of the slaying.

and older, and will have at least one and possibly two teams in Division E, for contestants 18 to 30 years of age. Each team will be made up of eight members of the club. In the various contests they will compete with teams from 14 other counties in the state.

Tonight at a special square dance practice session, to be held at the Bendersville Community Center at 8 o'clock, the Senior Extension group will determine whether two or three teams will represent it in the competition, President Carl Kessel said.

Numbers Announced
According to present plans, all of the competing units in classes A, B and C will take part in three dances.

The numbers all will dance will be "Head Two Ladies—Cross Over" to the tune, "Life on Ocean Wave"; "Chain A Cross," to the tune "Coming round the Mountain," and "Make an Arch," to the tune of "When Work's All Done This Fall."

During those dances the judges will select the top teams in each division. Then the winners will be determined by the dancing of the finalists, in the Class A group, of "Dip and Dive" to the tune "Red Wing"; the Class B winners will be determined from dancing of "Walk Across" to the tune, "Barnacle, Bill the Sailor," and the Class C winners will be selected by the dancing of "Chain The Ladies" to the tune "Hurry, Hurry."

The aerial photograph above shows Adams County's first cloverleaf and overpass intersection which will be officially opened for use Thursday afternoon with a ribbon-cutting ceremony at the southern end of the new York Springs by-pass.

The aerial view shows the relocated Route 15 running from left to right across the photo and about 1,500 feet east of the center of town. It crosses over Route 94, the Hanover-Carlisle Pike, by means of a new bridge while the cloverleaf linking the two highways is clearly visible. The picture was taken east of York Springs, looking west.

The lower photo gives a view of the old intersection in the center of York Springs, looking north on Route 15 where a truck may be seen making a left turn toward Hanover onto Route 94. The intersection at the foot of the hill has been the scene of scores of traffic crashes through the years, many of them resulting in death or serious injury and heavy property damage.

His personal physician Maj. Gen. Howard M. Snyder will accompany him.

Hagerly said the chief executive will carry on exactly as he

would have done if he hadn't suffered his slight stroke. This will involve attending all the scheduled business and social functions of the NATO conference. The meeting will bring together the chiefs of state of the 15 NATO powers in an effort to strengthen the alliance in the light of Soviet advances in the military and scientific fields.

Eisenhower will take along with him, among others, Dr. James R. Killian Jr., president of Massachusetts Institute of Technology. Killian recently was appointed a special presidential aide in charge of coordinating this country's scientific programs.

Others in the American delegation will include Secretary of State Dulles, Secretary of Defense McElroy and Secretary of the Treasury Anderson. McElroy already is in Europe.

Eisenhower is scheduled to address the opening session of the Paris meeting Monday.

This will be his first public address since he suffered the stroke Nov. 25.

hold many small items.

Neckties feature stripes of all colors and some even have sparkling rhinestones in the design.

Suits are more popular in the medium dark shades. The three button single-breasted is a popular style in men's and boys' suits.

Sports Clothes

Most everyone wants a stripped sport coat this season and this is easily seen by the complete selection that can be found in any men's store. The grey-back striped coat seems to be the most popular so far.

Suede jackets are more attractive and popular in the natural tan finish but the popular charcoal-grey seems to be close in sales. Either shade makes a warm and long lasting jacket.

Red is the eye-catcher this year in sweaters, caps and coats. This color is usually arranged with black and white to form attractive patterns. Red striped Ivy-League caps will really accent a bright red suburban coat.

Suburban coats are a wonderful coat for the active man. They are warm and comfortable and can be used in place of a full length dress coat. This type of coat which became popular about three years ago is just about the closest all around coat you can find. It is also available in tan, stripes and plaids.

Socks And Trousers

Grey, black and brown are the top colors in trousers. Trousers as usual feature a wide selection of gay to very modest designs.

Stretchy stockings, the kind that fit any size foot, are the most wanted type of stocking. With their gaining popularity, they are obtainable this year in any weight, color or design. For the man who has never worn this type of stocking, he should be very pleased to find a few pairs under the Xmas tree.

Sport shirts are the loudest this year they have ever been. The button down collar is found on most sport shirts which are available in a myriad of vertical stripes in eye catching arrangements.

Drip-Dry Fabrics

Some of the clothing is of the new wash and drip-dry fabrics. This is aimed at the college set who don't want to be faced with large laundry bills. All they do is wash the clothing in the evening, carefully turn down collars and make creases when they hang them up, and the clothes are ready to wear without ironing the next morning.

A corduroy smoking jacket trimmed in silk will make a man feel like staying home in the evenings and relax.

Suspenders are gaily colored. They are probably trying to keep in competition with the new style belts that are made in three sections. With three sections the belt tends to lie straight and not get a bend that is noticeable with long wear.

Tax Collector Has Finished Her Work

The first tax collector's report for 1957 was filed today with the county clerk of courts — even though the year has not reached its end.

Mrs. Howard Albright, East Berlin R. 2, turned in her report for Conewago Independent School District. There was no reason for her to wait until the end of the year. The school board had imposed a ten-mill property, \$3 per capita tax on the taxpayers of their districts. That made the total taxes levied \$432.80 on real estate, \$300 per capita.

Every one of the 100 taxpayers had paid up so there was no more work for the tax collector to do this year. For her efforts the tax collector was paid \$15. She had expenses of \$1 for postage according to the report.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
TWENTY-FIVE YEARS AGO
Old Man Snow Chases Miss Indian Summer: Old Man Snow hurled his first challenge to Miss Indian Summer for supremacy of the Gettysburg and Adams county area Saturday morning when he blanketed the entire district with several inches of snow. It was the first snow fall of the season and appeared to be more than welcomed by most residents of the town.

The snow was especially welcomed for one reason in particular, it enhanced the beauty of the streets and square when the Christmas lights were turned on Saturday evening.

C. A. Wills Donates Trees To Hospital At Board Meeting: The board of directors of the Annie M. Warner hospital accepted an offer of shade and ornamental trees for the hospital grounds made by C. A. Wills, Greenstone, a director, at the monthly meeting at the hospital Friday evening. Dorsey Dougherty presided at the meeting.

Mr. Wills offered to the hospital the trees free of charge. The trees probably will be planted this winter.

Plan For Crippled Kiddies Here: In an effort to organize an Adams county crippled children's society, Stewart W. Frost, of Arendtsville, acting on behalf of the Gettysburg Rotary club, today called a meeting of persons interested in this activity for next Monday evening at the Hotel Gettysburg.

If an Adams county crippled children's society is organized, it will be affiliated with the Pennsylvania Society for Crippled Children. Miss Jane Marshall and Ritchie Lawrie, both representatives of the state society, will attend Monday's meeting.

Today's Talk

RELATIONSHIP
If we were more akin to one another, and especially to those of a different nationality, we would think less of war and more of brotherhood. I read somewhere that Scott, the writer, "spoke to every man as if he were his blood relation!"

All of us have friends who seem to be so close to us that we look upon them as akin to us. How I wish this might be a universal fact. I meet so many people, on the street and in companies, and I see many a face that is an index to the character of that person. Perhaps a kin of mine!

None of us is radically different from another. We are unique in many respects, but this is a good thing for it creates varieties and makes everyone different and interesting. I like to think I have a good parentage, but I also like to think I am linked to a great chain of intelligence, and it is a joy to be reminded of the fact.

None of us is very much apart from those whom we pass on the street of our town each day, if we but knew. Many of our likes are similar. Our reactions are often the same. We may like the same books, and the same dreams may rest in the heart of another the same as in us. It is always an inspiring thing to note the courtesy and kindness of one person to another. As though a kinship did exist.

To become friendless and alone is no fun we can guard against such a situation by being a good friend to many, thus trying to create a kinship that will follow us throughout the years. There is significance to the statement "I have a friend."

Tomorrow Mr. Adams will talk on the subject: "On Letters"

Just Folks

GOING TO BE GOOD
When Christmas comes, then I'll be gay
And laugh and smile along my way.

And I'll wish everybody health
And happiness, success and wealth;
A smile upon my face there'll be
For everyone I meet to see.
Just now I hurry round the town
And often wear a dismal frown.
And stop the kind words I could say;
But I'll be good on Christmas Day.

We laugh each year at little John.
When Christmas Day is coming on
He promptly does as he is told.
His mother never has to scold.
He goes to bed without a word.
As though good conduct he preferred.
We laugh and call him "artful cuss."
Yet little John might laugh at us
If he could understand the way
We, too, play good on Christmas Day.

If little John could only know
That we, too, make a Christmas show
Of being good and gay and kind;
But then the little one is blind
To what we are the whole year through—
The heedless, thoughtless things we do.
The sordid selfishness we've shown
In fighting our ourselves alone,
And waiting always to display
The best of us till Christmas Day.

The Myers, who have three young children, moved to Levittown last summer. He is a refrigeration plant employee.

State police Capt. Alfred Verbecken of the Bethlehem barracks testified he led 21 troopers to the sprawling community one day in August to help quell threatening mobs that surrounded the Myers' home.

Other prosecution witnesses said large crowds gathered in front of the Myers home, shouting and setting off firecrackers and that two of the defendants—Mr. and Mrs. Howard M. Bentcliffe—were arrested when they refused to move as police dispersed a large crowd.

"PICTURES DEAR TO ME"

Often when I feel uneasy with the problems of this life . . . I take pictures from my wallet . . . of my children and my wife . . . as I gaze upon my loved ones . . . there's a glow deep down inside . . . and like magic faith is strengthened . . . till my worries seem to hide . . . wonderful how love can conquer . . . almost any kind of fear . . . giving hope to those bewildered . . . making heaven seem so near . . . silent images on paper . . . yet to me they are alive . . . for each time my eyes behold them . . . golden memories revive . . . we converse and laugh together . . . through the miracle of thought . . . and when dreams begin to vanish . . . I have gained the strength I sought . . . so when troubles set me drifting . . . like a ship that's lost at sea . . . I find harbors of contentment . . . in the pictures dear to me.

ONE DEFENDANT IN LEVITTOWN CASE DROPPED

DOYLESTOWN, Pa. (AP)—Seven defendants were left today as the commonwealth continued its bid for a permanent injunction against harassment of Levittown's only Negro family.

David R. Heller was dismissed as a defendant yesterday after both sides agreed he had taken no part in demonstrations against the William J. Myers family.

Common Pleas Judge Edwin H. Satterthwaite refused to dismiss motions to dismiss the seven others. They are accused of trying to force the Myers to sell their home in the Bucks County community through threats and intimidation.

Verbecken Testifies

John R. Bentley, one of the defendants and a Bristol Twp. Democratic committeeman, testified he had helped organize the Levittown Betterment Assn., which he described as an organization of more than 1,000 dedicated to getting the Myers family out of Levittown through legal means.

The Myers, who have three young children, moved to Levittown last summer. He is a refrigeration plant employee.

State police Capt. Alfred Verbecken of the Bethlehem barracks testified he led 21 troopers to the sprawling community one day in August to help quell threatening mobs that surrounded the Myers' home.

Other prosecution witnesses said large crowds gathered in front of the Myers home, shouting and setting off firecrackers and that two of the defendants—Mr. and Mrs. Howard M. Bentcliffe—were arrested when they refused to move as police dispersed a large crowd.

Capitani Repeats On AP All-State Team; Bullett Linemen Highly Ranked

PHILADELPHIA (AP)—Lehigh, Penn State and Pittsburgh each contributed two men to The Associated Press' 1957 All-Pennsylvania College Football Team.

The team was selected by the votes of sports writers, radio and television across the state.

Dan Nolan, Mechanicsville, N.Y., a Little All-American quarterback who gained 3,037 yards and accounted for 39 touchdowns in a three-year career at Lehigh, was the top choice of the voters. He was one of nine seniors named to the all-state squad.

Nolan's teammate, big Pete Williams, of Millford, Conn., a 6-2, 232-pounder, and Jim McCusker, Pitt co-captain, were named the tackles on a line which averages 210 pounds. McCusker of Jamestown, N.Y., stands 6-3 and weighs 230.

At guards, Penn's co-captain Peter Kibish of Glen Lyon, Pa., and John Guzik of the Pitt Panthers gained the nod of the voters. Guzik of Cecil, Pa., recently was drafted by the National Football League.

Center Vote Close
Competition for the center post was close with the all-state team's only sophomore winning out, Leo Broadhurst, of Chester, Pa., 186-pound line backer at the University of Scranton, edged Pitt's Charley Bruckman and Gettysburg's John Yohn.

There also was close competition at end where Penn State's Les Walters of Hershey, Pa., and Indiana's Bob McFarland of Oakdale, Pa., earned first team berths. Walters, also a pro draft choice, was considered one of the top ends in the nation. McFarland scored 72 points during his Indiana career. This past season he caught 18 passes for 388 yards.

Capitani Lone Repeater
Joining Nolan in the backfield were Lock Haven's George Dintman, of Highspire, Pa.; Gettysburg's Frank Capitani, of Hershey, Pa., and Penn State's Dave Kasperian, of Worchester, Mass. Dintman tied for the state's scoring lead with 72 points in 1957. Kasperian was the workhorse of the Penn State backfield. Capitani, the only repeater from the 1957 team, is considered one of the top small college backs in the country.

Second team:

The team was selected by the votes of sports writers, radio and television across the state.

Dan Nolan, Mechanicsville, N.Y., a Little All-American quarterback who gained 3,037 yards and accounted for 39 touchdowns in a three-year career at Lehigh, was the top choice of the voters. He was one of nine seniors named to the all-state squad.

Nolan's teammate, big Pete Williams, of Millford, Conn., a 6-2, 232-pounder, and Jim McCusker, Pitt co-captain, were named the tackles on a line which averages 210 pounds. McCusker of Jamestown, N.Y., stands 6-3 and weighs 230.

At guards, Penn's co-captain Peter Kibish of Glen Lyon, Pa., and John Guzik of the Pitt Panthers gained the nod of the voters. Guzik of Cecil, Pa., recently was drafted by the National Football League.

Bucknell Here For Two Games This Evening

Another man-sized job awaits Bob Hulton and his Gettysburg College cagers (0-2) this evening when the Bullets make their home debut against potent Bucknell (2-1).

Slow starts have been fatal to Gettysburg against Hofstra and Villanova but the Bullets are hoping to correct that at the expense of the Bisons.

Bucknell has been impressive in defeating F. and M. and Colgate. The Bisons bowed at Cornell 65-58, Hal Danzig, 6-6 center, has been the sparkplug for Coach Ben Kribbs in scoring and rebounding. Danzig has accounted for 53 points, Ellis Harley (6-3, 57, and Jack Flanagan (6-11, 34).

The Bullets freshmen will also be gunning for their first win after two losses when they take on the Bison Frosh at 6:45.

CLEMSON NIPS NORTH CAROLINA STATE 63 TO 59

By DON WEISS
The Associated Press

The way those fellows from that rugged bed of basketball called the Atlantic Coast Conference cuff the big guys around, it's a wonder North Carolina's winning streak has gone as far as it has.

It's enough to make a coach glad he's away from home grounds now and then, as Frank McGuire's North Carolina Tar Heels were in stretching their streak to 34 against George Washington, 86-59 in Washington, D.C.

Previously winless Clemson, fired by Walt Gibbons' 21 points, whipped 63-59 a N.C. State team last night that had won three straight, was ranked 12th nationally and figured as one of the chief ACC challengers to top-ranked North Carolina.

Action was sparse elsewhere among the major schools, with Texas, Dartmouth, St. Bonaventure, The Citadel, Chicago Loyola, and California, turning in noteworthy victories.

Texas won its third straight, 73-41 over McMurtry. Dartmouth's win string went to three in a 75-50 decision over Vermont, and unbeaten St. Bonaventure whipped Lemoyne for the 13th straight time, 58-46.

The Citadel downed William & Mary, 85-63, the Bulldogs' fourth Southern Conference victory; and Chicago Loyola, down four points at halftime, rattled in 46 points after intermission to crush South Dakota State 84-58. California went to two overtime to fight off St. Mary's (Calif.), 67-57.

Other Results
Wheaton of Illinois, the defending NCAA small college champ, won its 25th straight, 82-67 over Millikin.

Richmond whipped Washington and Lee 75-65, and Brown scored a 62-58 decision over Rhode Island.

Ablene Christian, hitting on 58 percent of its shots, defeated Baylor of the Southwest Conference, 82-66, and Fordham won an 81-80 squeaker over Yale.

Oregon downed San Jose 72-67, Washington State routed Whitworth 77-45, Penn State out-posted Carnegie Tech 47-35, Villanova bounced Loyola of Baltimore 85-65, and Presbyterian whipped once-potent Furman, 96-78 in the other pairings.

CANNERS WHIP BUBBLER FIVE
Biglerville (2-1) encountered little trouble in defeating its arch rival, Boiling Springs, on the Bubblers' floor Tuesday evening, 58-39.

Bernie Thrush's Canners jumped off to a 25-9 lead in the first period and was never in danger. Glenn Bricker, 6-0 junior, rammed through 21 points to lead the winners. Jim Kuhn, another junior, netted 10. The Bubblers scoring was evenly distributed.

The Biglerville reserves capped a close 40-36 decision in the preliminary.

Boiling Springs will play return games at Biglerville Friday evening.

COLLEGE MAT SQUAD THIN; OPPOSE NAVY

Jack Ridinger, who is coaching the Gettysburg College wrestling team for the first time, has inherited a "thin" squad for a tough 10-match schedule which gets underway against Navy at Annapolis Saturday afternoon at 4 o'clock.

The new Bullets mentor has but three letter-winners from last year, Barry Kunkel, 137-pounder; Paul Nonas, 157, and Andy Leh, 167.

For the past several weeks a squad of 16 candidates has been working out.

Anticipates Changes
In announcing his probable starters against Navy, Coach Ridinger pointed out that many changes in weight divisions will likely take place as the season progresses in order to get full advantage from the thin squad.

Among those likely to go against the Midshipmen are Tom Phopst, 123; Dave Thomas, 130; Barry Kunkel, 137; John Crawford, Norman Henry or Bob Philpotts, 147; Paul Nonas, 157; Andy Leh, 167; Herb Payne, 177, and Jimmy Hess, heavyweight.

Free Match Tuesday
Announcement has been made an additional match has been added to the schedule, the Bullets meeting Elizabethtown here next Tuesday evening at 8 o'clock.

Henry T. Bream, athletic director, has announced there will be no admission for the match. Most students will be at home for the Christmas vacation at that time and the public will find plenty of good seats available for the free affair.

Penn State Beats Carnegie Tech 5

PITTSBURGH (AP)—A defense-minded Penn State basketball team recorded its first victory last night by defeating winless Carnegie Tech 47-35 in one of the lowest scores of the college season.

As in two previous starts Tech battled even in the first half but ran out of gas after trailing 20-19 at intermission.

After the Nittany Lions grabbed a 30-22 lead they went into a tight zone defense, controlling the ball the rest of the way.

Only two players scored in double figures. They were Penn State's Steve Baldy with 16 and Ted Kubista with 12. Mike Flynn's 9 points was high for Tech. State now has a 1-1 log; Tech is 0-3.

EAGLES WILL UNLOAD DEVORE AFTER SEASON

PHILADELPHIA (AP)—The Philadelphia Eagles will unload Coach Hugh Devore at the end of this National Football League season.

A reliable source said Devore would be paid off for the final year of this three-year contract. The club reportedly will try to get the affable former Notre Dame star and coach to resign; but if he refuses, it will be the ax.

Devore said, "There has been no intimation by anyone in the front office of an impending change. I do not intend to resign. I never have considered such a move."

Devore was signed to a three-year contract in January 1955 after Jim Trimble was dismissed. Last season, his first at the helm, the Eagles won 3, lost 8, tied 1, and finished last in the NFL's Eastern Conference. This year, with one more game to play, the Birds are 4-7.

4th Firing Since '50
Vince McNally, general manager, already has drawn up a list of possible successors, including Jim Tatum, North Carolina mentor; Buck Shaw of the U.S. Air Force Academy; and Wally Butts of Georgia.

Devore would be the fourth coach fired by the current Eagles management since 1950.

Devore's job was reported in jeopardy as early as last summer. But the club owners were reluctant to discharge him because they feared fan reaction to the frequent coaching changes. They hoped their rookie-studded squad would click and make the firing unnecessary.

Things got worse instead of better, however, and last Sunday's 42-7 lacing by Washington was the final indignity.

DELONE OPENS WITH WIN OVER LITTLESTOWN 5

The Delone Catholic Squires inaugurated their 1957-58 basketball season with a 52-39 win over the Littlestown Thunderbolts Tuesday evening on the McSherrystown court. Littlestown has now dropped three games in a row without a win.

Although the Squires were able to squeeze by, Coach Jack Bream's outfit handled the ball on the court to perfection but were unable to capitalize on the quick openings made by a well-executed five-man weave.

The Squires, under new head coach John Flaherty, jumped to a quick 10-4 lead at the end of the first period, but neither team tallied in the game until 2:10 minutes had gone by. Bob Nester matched a jump shot from the side with a similar shot by Delone's Paul Gebhart to get the contest underway.

Tom Staub paved the way for the Squires in the second quarter to add four more points to their lead and move out in front 24-14 at the end of the first half.

Bolts Improve
Combined with the smooth playing of Ron Crouse and the play-making of Bob Nester and Carl Bankert, the Bolts were able to outscore the home team 16-15 in the third stanza and narrow the lead to nine points.

The fourth period scoring was held to a minimum as both coaches were forced to stay with their first eight men during the entire game.

Coach Bream's Blue and Gold team is picking up the necessary experience needed in these first three games and should prove to be a real threat to future opponents. Delone will have to show more scrap against future foes to be a threat.

Ron Crouse, Littlestown forward, was top man in the scoring column as he dunked eight goals and three for three fouls for 19 points. Tom Staub was leading scorer for the Squires with 10 tallies followed by Paul Gebhart with nine.

Squires Reserves Win
After taking a 27-7 lead at the end of the first half, the Delone reserves had little trouble of disposing of the Littlestown reserves 52-29 in the preliminary contest. Cyril Weaver paced the winners with 18 points while Ed Knipple and Fred Dutterer topped the junior Bolts' with 8 and 6 points, respectively.

Delone will entertain Gettysburg High Friday night in a game that will be launching the Warriors' new season. Littlestown is idle until meeting Delone at Littlestown in a return game December 19.

FLAM TO MEET BRICHAUNT NEXT

BRISBANE, Australia (AP)—Herbie Flam of Beverly Hills, Calif., carries the American challenge round hope on his shoulders when he meets Belgium's Jackie Brichant in the opening match tomorrow of the interzone Davis Cup final.

Defeat for Flam, who was picked over the veteran Gardner Mulloy of Miami, in a last second change of lineup, might provide the Belgians with the drive needed to break the U.S.-Australian challenge round axis, unthreatened for 20 years.

It would put tremendous pressure on Philadelphia's Vic Seixas, who opposes Philippe Washer in the second match, and conceivably could make Friday's doubles the decisive match of the weekend tie on the Milton Courts here.

The Belgians hailed the draw as a lucky break, and one member of the camp, professional Ken McGregor, predicted victory for the European champions on singles triumphs alone.

File Objection
In Bowers Action

HARRISBURG (AP)—The state yesterday filed in county court here its preliminary objections to a suit brought by Reading Industrialist Clarence P. Bowers asking reinstatement to his job with the State Labor Relations Board.

Atty. Gen. Thomas D. McBride claimed Gov. Leader acted within his constitutional rights in firing Bowers Nov. 8 and asked that the suit be dismissed.

The firing came after Bowers refused to accept a transfer to the State Unemployment Compensation Board. He said the transfer was an effort to silence his support of Lt. Gov. Roy E. Furman for the Democratic party's gubernatorial nomination next year.

Leader said he fired Bowers because of the latter's criticism of him.

KNICKS HAND CELTS 3RD LOSS

By THE ASSOCIATED PRESS
The New York Knickerbockers haven't really set the world on fire this year in the National Basketball Assn. but to the Boston Celtics they're "too hot to handle."

The Knicks handed the Celts their third loss of the season, against 19 wins last night. It was the second time the New Yorkers turned the trick in four games with the Celts. The Knicks won 106-103 in the second game of a Madison Square Garden doubleheader. After the St. Louis Hawks bounced the Cincinnati Royals 102-90 in the opener.

Prof. Young's Views On Space Laws Quoted In New York Times

Raymond W. Young, former instructor at Gettysburg College and now professor of law at George Washington University, was quoted in the New York Times Monday as suggesting a rule of law for outer space. A similar statement from the president of the United Nations is quoted in another article in the same newspaper.

In an Associated Press dispatch from Washington, the Times stated: "The world must set up rules for the use of outer space or we'll have the law of the jungle," counsel of the American Rocket Society warned Friday.

"This statement by Andrew P. Haley, who is president of the International Astronautical Federation, was supported by Raymond W. Young, professor of law at George Washington University, in a local (Washington) television discussion.

Dixon Memorial Post No. 6954, Veterans of Foreign Wars, will take place on Friday evening, 7:30 p.m., at the post home, W. King St. There will be an exchange of \$1 gifts among the members who will also provide gifts for their children. Arrangements are in charge of Mrs. Helen Garner, Mrs. Dolores Badders, Miss Helen Jacobs, Mrs. Mildred Weaver and Mrs. Ruth Dooley.

The VFW auxiliary district president will pay an official visit to the local unit at the regular semi-monthly meeting on Thursday at 8 p.m.

Ocker-Snyder Post No. 321, American Legion, will hold its first December meeting at 8 o'clock tomorrow evening at the post home, E. King St.

Members of the local Independent Order of Odd Fellows lodge will attend the monthly meeting of the Adams County Grands Association on Thursday, 8 p.m., with York Springs Lodge No. 211 as the host group.

Plan S. S. Event
Officers and teachers of the Children's Division of Redeemer's United Church of Christ met on Monday evening in the church social hall, when final plans for the annual Christmas program by the children of the Sunday School were discussed. Each department will be responsible for a portion of the program, which will be presented on Sunday, December 22.

Dr. William W. Seibert, general superintendent of the Sunday School, was present to explain the new attendance marking system which will be used at the beginning of the new year. A Christmas party, with exchange of gifts, followed the business. Refreshments were served to the group by Mrs. Gene A. Hankey, Mrs. Thomas B. Scott Jr., Mrs. Wilbur J. Gobrecht and Mrs. Richard A. Little Jr.

The officers and teachers will meet again on Monday, January 6, in the church social hall, when each department will meet separately.

"Professor Young approved the idea of an international conference on space law under United Nations sponsorship as suggested by Haley, but said it should be undertaken as part of the work of the United Nations Disarmament Commission.

"Professor Young said he was most concerned about security problems involved in the exploration of outer space, and suggested the Disarmament Commission for that reason. In the absence of iron-clad international controls, he said, nations should have jurisdiction over the space above their territories to and height from which hostile activity could be undertaken. Mr. Haley, who held that the disarmament negotiators had accomplished nothing, and therefore should not undertake the space law work, said he felt that national sovereignty should end 52 miles high, explaining that science had indicated this as the outer space of the earth's atmosphere."

Quote Sir Leslie
The other article quoted Sir Leslie Munro, of New Zealand, president of the General Assembly of the United Nations, as saying that the U. N. would have to deal before the 1958 session next September with the question of control of outer space.

Sir Leslie held that technological advances in missiles and satellites "have made it imperative that nations begin to formulate a code for future adjustment of potential disputes connected with outer space operations and activities."

appreciate the nomination and election and I will devote much of the year to following through the work already begun by President Smith to get the various organizations of our community working together for a better community. The aim of all of us is a better Gettysburg. If we can work together to channelize our aims and objectives we can secure much more than if everyone continues to work out his own pet projects without considering the possibility of working together for objects that cannot be achieved by one group alone. I think the Chamber should be a vital instrument in seeking to develop this community awareness, this working together for the good of the community itself."

Smith Praised
President Smith said: "I think the

future of Gettysburg depends to a large extent on how well we can work together. We have a tremendous potential which can be realized only if everyone does work together.

"There are so many projects that cannot be accomplished by any group alone. We have in our community learned to work well for individual projects. All of our organizations have done an excellent job. But our town has not yet learned how to work together to accomplish aims that are possible only if all cooperate."

Charles Bender spoke briefly praising retiring President Smith for his "outstanding work during the past year. No one who has not been president of the Chamber can truly realize how much work is involved, for when you come down to it, the president must be the sparkplug and carry on and promote most of the projects, if they are to be done."

First Of Dutch Refugees In Indonesia Reach Singapore

SINGAPORE (P) — Dutch refugees, expelled from Indonesia in the quarrel over West New Guinea, began arriving here Tuesday.

A Garuda-Indonesian-Airlines plane arrived here with 17 Dutch nationals, the vanguard of a refugee movement that eventually may include most of the 46,000 Dutch still in Indonesia.

The manager of Australian and British airlines here said an Argonaut plane with 48 more Dutch nationals was en route here. He earlier had reported the plane was returning to Singapore empty because the Indonesians had refused for unexplained reasons to let the British plane load passengers.

Appeal To Assist

The Netherlands government at The Hague announced an appeal to the Indonesians asking that Dutch ships and aircraft be allowed to enter Indonesian waters and territory to carry out the evacuation.

A letter from Dutch Premier Willem Drees to Indonesian Premier Djuanda also asked that Dutch-chartered planes and ships be allowed entry.

The Indonesians have barred the Dutch KLM Airline from operating in Indonesia. Dutch ship owners have stopped their ships from entering Indonesian harbors following seizure of ships by trade unions and nationalization of port facilities.

Ordered To Leave

A dispatch from Jakarta said all "middle class Dutchmen" in Medan, capital of North Sumatra, had been ordered to leave the country by Justice Minister Gustaf Manekkom. All Dutch subjects living on financial aid from the Dutch government also were ordered to pack.

The first planeload of refugees arriving here included four women and nine children. Most of them were families of employees of KLM Airline.

One of the refugees was an elderly Dutch farmer named M. R. Titus, who had lived in Indonesia for 15 years.

He told newsmen that conditions

were out of control on East Java plantations and laborers are taking the upper hand everywhere.

In Surabaya, he said, shops won't sell anything to the Dutch. "We had to send servants to buy food through the back doors."

As the Indonesian government and Communist trade unions continued taking over rich Dutch properties, the United States was reported offering to mediate the trouble between Indonesia and the Netherlands.

U.S. Ambassador J. M. Allison called on Foreign Minister Subandrio and Premier Djuanda to express Washington's apprehension Subandrio said Allison offered U.S. help in seeking a solution.

WILL NOT ASK FURTHER CIVIL RIGHTS LAWS

WASHINGTON (P) — The Justice Department does not plan to recommend additional civil rights legislation at the next session of Congress.

Atty. Gen. Rogers made that statement on Monday at a news conference, his first since he became a Cabinet member last month.

Rogers expressed the view that Congress and the country might well "let some little time elapse" to observe the workings of the Civil Rights Act adopted after considerable debate at the last session.

That law represented a somewhat watered-down version of the administration's proposal, with the result that some congressmen have announced intentions of seeking additional legislation next year.

"Fully Debated"

The 44-year-old attorney general who was moved up from the deputy's job to succeed Herbert Brownell, voiced the belief that the civil rights question was fully debated last summer and that it

CANADIAN GETS '57 NOBEL PRIZE FOR PEACE WORK

OSLO, Norway (P) — Lester B. Pearson of Canada Tuesday received the 1957 Nobel Prize for his leadership last year in U.N. efforts to end the British-French-Israeli invasion of Egypt.

The former Canadian foreign minister accepted the prize before King Olav V of Norway and the Nobel committee of the Norwegian Parliament. The committee selected him Oct. 14 for the \$40,275 prize money.

Dr. Gunnar Jahn, chairman of the committee, made the award speech at the University of Oslo auditorium. Pearson will give the Nobel winner's annual lecture this evening.

Jahn said the prize was awarded "not to the politician or to the secretary of state as such, but to the man Lester Pearson because of his personal qualities, his powerful initiative, strength and perseverance displayed in attempting to prevent or limit war operations and to restore peace in situations where quick, tactful and wise action has been necessary to prevent unrest from spreading and developing into a worldwide conflagration."

Reason Not Given

The committee does not specify the reason for its award but Jahn's speech apparently confirmed the general assumption that Pearson won the prize for work that won him the title in the U.N. of the father of the emergency force sent to keep peace between Israel and Egypt.

Pearson lost the post of foreign minister when his Liberal party was defeated in Canada last summer. He is the leading candidate

Suggests Fault In "Pay" Television

WASHINGTON (P) — Harold E. Fellows, president of the National Assn. of Radio and Television Broadcasters, said Tuesday he thinks pay television might result in limiting the flow of information to the public.

"Free television runs in the direction of encouraging total circulation of total information," Fellows said, "and, contrariwise, paid television tends to place limitations upon this desirable objective."

"If for no other reason, I find this sufficient cause to take issue with the proponents of paid TV."

Fellows also said, in a speech prepared for the Federal Communications Bar Assn., that it appears the only hope for mankind's survival is to be found in universal understanding.

"The Little Rock people appear to be handling the matter pretty well recently. My contribution should be not to say anything which would aggravate matters."

to become head of the party in January, putting him in line to become prime minister of Canada should the Liberals return to power.

Gets 3 Tickets On Anniversary

KANSAS CITY (P) — Dr. Robert H. Miller, a dentist, went to City Hall to pay a traffic fine.

When he returned to his car it had been tagged for illegal parking.

Miller took the new ticket across the block to police headquarters and explained his troubles to Sgt. James Newman of the Traffic Division.

While he was talking another patrolman tagged his car again and had it towed away.

Miller said his plight really stemmed from the fact he was thinking about something else all the time. It was his 30th wedding anniversary.

Banker Has His Shopping Troubles

WICHITA, Kan. (P) — A. W. Kincaide, president of the Fourth National Bank of Wichita, stepped up to a toy counter to buy a little red piano for a nephew for Christmas.

When he went to pay for it there was no ready cash in his wallet. Kincaide wrote a check. The clerk refused to honor it.

Kincaide delved into a secret pocket and came up with a \$100 bill. The clerk was really suspicious now and called the manager.

The manager recognized Kincaide and cashed his check.

ACCUSE MAN OF CHURCH FRAUD

CAMBRIDGE, Md. (P) — A Pennsylvania sought since last February for allegedly bilking churches on stained-glass window work was returned here from New Jersey yesterday.

Deputy Sheriff Joseph Klopp of Dorchester County said Richard Andrew Bourgeois, 57, of 1204 Perkins St., Chester, Pa., was jailed here in lieu of \$10,000 bond, on a charge of obtaining money under false pretenses.

Bourgeois was picked up by city police yesterday in Somerville, N. J. Klopp said while working at the First Reformed Church there.

Klopp said Bourgeois operated out of Salisbury with his R.A. Bourgeois art glass studio. He said Bourgeois contracted in October of 1956 to put in stained-glass windows for the Friendship Methodist Church in nearby Aries. The man was paid about \$1,600 of the money then skipped town in December, the deputy said.

Klopp said he had been tracing Bourgeois' whereabouts ever since which included stops in Massachusetts and Rhode Island.

No date has been set for a hearing.

Santa and the STRONG BOY

by LUCRECE HUDGINS BEALE

SYNOPSIS: King Ignatz takes Richard from the circus to be his court jester. He tells Richard he plans to conquer the Kingdom of Mitzepoo by Christmas Day. Poor Richard is so frightened he faints at the news.

CHAPTER SEVEN RICHARD'S PLAN

That night Richard lay awake on his cot in King Ignatz' dressing room.

"What shall I do?" he cried to himself. "This wicked king is going to attack Mitzepoo and conquer my father and there's no one to stop him. If only I were brave and wise I'd stop him!"

Then he thought, "The king is asleep now. He can't hurt me when he is asleep. I'll capture him now!"

He slipped off the cot and into the king's bedroom. Ignatz snored so loudly the windows rattled. For a moment Richard was too frightened to move.

"But he's asleep," he reminded himself. "I'm safe while he's asleep."

He leaned far over the bed. His heart thumped with fear. Slowly he reached out and caught the end of the soft feather mattress. Then, in one quick movement, he rolled up the mattress with blanket sheets, pillows and King Ignatz inside.

He lifted the immense bundle to his shoulder and ran out of the room.

"Stop!" cried a guard. "What are you doing?"

"I'm — I'm taking the king for a walk," stammered Richard.

The guard's eyes popped. Then he laughed. "Oh, what a jester you are! Is that the kind of joke that amuses the king?"

"I — I think so," said Richard as he edged away. The load on his back was beginning to stir. He hurried to the top of the great staircase in the center hall. But just as he began to descend there was a muffled rumble from inside the mattress and then a giant roar: "Put me down! Put me down!"

Richard's heart sank and his knees turned to jelly. Obeyingly he dropped his load.

Down the broad stairs rolled the mattress and out of the mattress rolled King Ignatz.

There were a hundred steps and

Richard swung high over the guards' heads.

King Ignatz whacked each one as he rolled to the bottom. Finally he came to a stop. For an instant he lay there while horrified guards rushed to his aid.

The king got up and glared at Richard who stood rooted to the spot at the top of the stairs.

"We'll get him, your majesty," cried one of the guards as he drew his sword.

"I'll get him," snarled the king. "Stand back!"

The guards backed away and King Ignatz started up the stairs. One by one he climbed the hundred steps and all the time his eyes bored into Richard's eyes and his brow grew weaker and weaker.

Ninety-five, ninety-six, ninety-seven—the king placed his foot on the ninety-eighth step and reached out his hands. At that very moment Richard collapsed. He sank in a limp heap over the balustrade and zoomed down the railing to the bottom of the stairs.

Ignatz clutched at the empty air and roared. He started back down the steps as Richard jumped to his feet. The prince took one frightened look at the king and leaped to the top of the immense mantle piece. There he stood and

gazed down at the king. "Ladder! Get me a ladder!" screamed the king.

A ladder was brought and laid against the fireplace. Ignatz began to climb. Richard was cornered. His eyes rolled in his head. Suddenly he saw the giant chandelier holding hundreds of candles suspended from the ceiling.

He threw himself out from the mantle and caught the bottom of the chandelier. For an instant he swung there and then the chandelier with all its lights crashed to the floor.

The king and the guards dashed candles. In the confusion Richard scurried away on his hands and knees.

UMW MAY ISSUE STATEMENTS FOR LEADER IN '58

By JOHN KOENIG JR.
AP Special Washington Service
WASHINGTON (P)—United Mine Workers Union headquarters indicated Tuesday that UMW districts in Pennsylvania may issue statements supporting Gov. George M. Leader for Democratic nomination for U. S. senator next year.

A UMW spokesman said that President John L. Lewis has declined to make any official comment on whether he advocates new political office for Leader. Under the state constitution, he cannot succeed himself as governor.

But UMW headquarters made it clear that Lewis is an admirer of Leader because of the 39-year-old governor's strong advocacy of welfare and labor legislation.

Martin Not Candidate
Although Leader has made no official announcement, he is regarded in most circles as the leading prospective Democratic candidate for the seat to be vacated by Sen. Edward Martin (R-Pa).

Martin has announced he will not seek a third term.

The UMW's policy in supporting candidates for political office, the spokesman explained, is through endorsement by Labor Non-Partisan League.

The league's practice normally is to endorse only incumbents in Congress on the basis of their voting record. New candidates for office ordinarily are not included.

"But this is no hard and fast rule," the spokesman said. "Occasionally a new candidate with a good labor record comes forth, and there is no reason why the league should not endorse him."

One way the UMW could throw its support to Leader, or any candidate, it was explained, would be for presidents of Pennsylvania's five UMW districts to get together with Lester Thomas, state UMW legislative liaison man, and reach an agreement. A formal statement of support then could be issued by the district presidents.

Other men whose opinion would

Judge Hands Down Imprisonment Order

LONDON (P)—An English judge today ordered handsome Dominic Elwes jailed for flouting a court order to bring 19-year-old shipping from Scotland.

It was doubtful, however, that the imprisonment order could be enforced so long as Elwes, 26-year-old son of portrait painter Simon Elwes, remains with Tessa in Scotland, which is outside the jurisdiction of the English court.

Judge Ronald F. Roxburgh, who last week granted an injunction restraining the couple from marrying, made the imprisonment order.

carry weight in such a get-together would be Thomas Kennedy, UMW vice president and a former Pennsylvania lieutenant governor, and Joseph Kennedy, Leader's state secretary of mines.

The spokesman said Lewis would not say whether he had had any recent meetings with Leader. But at a meeting between the two on May 5, 1955, Leader's first year in office, Lewis was enthusiastic in his reception of the governor.

Hailed By Lewis
Leader was presented to members of the UMW International Executive Board and hailed by Lewis as exemplifying the type of elected official "in whom people can believe."

A pledge of continued support was made and Leader was urged to run for national office when his four-year term as governor had expired.

There is nothing to indicate a change in that attitude either on the part of Lewis or other top UMW officials, he spokesman said.

It was the fourth straight day of demonstrations and rioting keyed to the U.N. debate over this British-held Mediterranean island.

GREEKS, TURKS CLASH ALONG NICOSIAN LINE

NICOSIA, Cyprus (P)—Turks and Greeks clashed today all along the line that separates their two sectors in Nicosia. British troops broke up many furious clashes.

Cypriots charged into the Greek sector seeking revenge for the wounding of a Turkish policeman during a violent Greek Cypriot demonstration against British rule. Earlier in the day, the Turks stoned cars and looted shops.

Turkish police had been unable to control the mob, which armed itself with stones and clubs and stormed into the Greek quarter. Greek owners hurriedly barricaded their shops and fled.

Troops Rush In
British troops rushed to Nicosia's main thoroughfare and kept the Greeks and Turks separated by a woman's land. The Greeks and Turks shouted abuse at each other.

A fire started in the Greek-owned Cyprus Transport Co. depot, housing about 20 vehicles. Turkish mobs slowed fire engines speeding to the scene.

Military police patrols toured the city announcing the imposition of a curfew. Some Greeks said they would not observe the curfew because they had no confidence in the police and the military.

118 Persons Charged With Violating State Blue Laws

ALLENTOWN, Pa. (P) — A controversy over Sunday retail sales was in the legal action stage today after a week of public pronouncements against business on the Sabbath.

Information was sworn out on Monday in Lehigh and Northampton counties against 111 operators and employees of 8 retail stores. The personnel are accused of doing business last Sunday in violation of a 1794 Pennsylvania Blue Law. The maximum penalty is a \$4 fine and six days in jail.

Three persons were brought before a magistrate soon after the formal charges were made and released in \$100 bail for a hearing tonight. The three are from the Fountain Hill Furniture Mart in Fountain Hill, an Allentown suburb.

Visited Stores Sunday

Five other stores named in the information are in the Allentown area and two are in Freemansburg, a Bethlehem suburb.

The legal action came after Lehigh County Dist. Atty. Paul McGinley and local police toured 14 businesses on Sunday and took names and addresses.

Seventy-six of the 111 are associated with "Two Guys From Harrison," including George Hubschman, manager of the Whitehall Twp. store.

Two Guys, a large discount house and part of an east coast chain with headquarters in Newark, N. J., is the center of the controversy.

After the firm did business for several Sunday, two large downtown department stores announced they would open on Sundays during the Christmas rush to arouse the public against Sunday sales.

Then McGinley announced last week that he would enforce the Blue Law and the two department stores canceled their plans.

Meanwhile civic, business, political and especially religious leaders in eastern Pennsylvania spoke out against Sunday retail sales and called for official action.

Two other developments came Monday in the controversy:

1. Sen. Joseph J. Yosko (D—Northampton) sent a letter to Rep. Baker Royer (R—Lancaster), requesting a survey of observance of the Blue Law. Royer is chairman of the Joint State Government Commission.

Specifically Yosko asked the commission whether the blue laws should be retained, repealed, amended or the question of Sunday sales submitted to local option.

2. McGinley and Mayor Donald V. Hock issued a joint statement saying bowling alley operators would not be prosecuted. McGinley's detail visited five bowling alleys last Sunday.

The statement said operation of healthful recreational facilities did not violate the blue law but that no merchandise other than food could be sold on Sundays "where sports take place."

Other stores named in the information and the number of personnel from each:

In the Bethlehem area—Freemansburg Bargain Center, 8 persons, and Jordan Paint Co., 1 person.

In the Allentown area—Coplay Discount Fair, Coplay, 8 persons;

Car Headlights Aid Plane In Distress

LEWISTOWN, Pa. (P) — A small plane made an emergency landing at an airport near here last night.

Flares, car and fire truck headlights were used to light the field.

The pilot, Roger Glass, 29, Newry, was on an instrument flight from Harrisburg to his Blair County home town with his 19-year-old brother, Robert, as passenger when he reported to state police at Philipsburg that he was having trouble maintaining his flight pattern and was running low on gas.

Lewistown state police were notified and made emergency arrangements at Kratzer Airport four miles west of here for a landing. Glass brought the plane in without incident.

He planned to resume his flight today.

CAVE RENTS IN MEXICO ARE UP

MEICO CITY (P)—The housing situation is so tough in Mexico City they're even raising the rent on caves.

A capital of over four million, the city is growing rapidly. Rents have zoomed.

The outskirts of the city are ringed by barrancas, or ravines. In them are many natural or man-made caves. Owners of the land rent them to the poor.

Santos Olvera told a district court he was paying 40 pesos (\$3.20) a month for a one-room cave, but that the owner was trying to boost the rent.
